

Meon Valley Community Bus: Resumption of Service

The Meon Valley Community Bus service is now running a slightly restricted service. On Mondays and Wednesdays, the service will run to Fareham. On Fridays it will run to either Winchester (1st and 3rd Friday each month), Waterlooville (4th Friday each month), or Petersfield (2nd and 5th Friday each month).

How we will make sure the service is safe.

1. We will ask you to bring a mask covering your nose and mouth and this should be worn while you are on the bus.
2. We will ask you if you have used a sanitizing hand wash and if not, it will be provided for you before you board the bus.
3. Please use the same seats for outward and return journeys.
4. We will have the windows open when there are passengers on the bus, to ensure an adequate exchange of air.
5. If you have any other questions about how to stay safe, the driver will be able to help you.
